In accordance with section 11 of the Children First Act 2015 and with the requirements of Chapter 8 of the *Child Protection Procedures for Primary and Post-Primary Schools 2023 (revised)*, the following is the Written Risk Assessment of Coláiste Nano Nagle

1. Name of service being provided:

Coláiste Nano Nagle is girl's voluntary secondary school, state funded by the Department of Education and Skills. The school is located on Sexton Street in Limerick City. Formally named, Presentation Secondary School, it was officially established as a secondary school in 1955 by the Presentation Sisters. The school, under the trusteeship of CEIST, offers a Catholic, faith-based education based on a set of values that have their roots in the gospel of Jesus. Today, the school caters for a diverse group of students primarily located in Limerick city centre and the southside of Limerick city. The secondary school shares a campus and buildings with its Post Leaving Certificate College (Central College Limerick). The campus also houses a Presentation Pre-School and Presentation Primary school in separate buildings and under a different Board of Management.

The school has DEIS status. As a DEIS school there is a focus on eight target areas namely: literacy, numeracy, attendance, retention, attainment, transitions, partnership with parents and partnership with others. The school also focuses on Wellbeing, CPD and Leadership. In order to progress in these areas and as part of school self-evaluation the school has a history of flexibility, curricular innovation and advancements in teaching and learning. The school offers a range of programmes including Junior Cycle, Junior Certificate Schools Programme, Level Two Learning Programme, Transition Year, Leaving Certificate, Leaving Certificate Vocational Programme and Leaving Certificate Applied. In 2020 it opened a special class (Autism/ASD). It also offers a full and varied choice of co- and extra-curricular activities.

2. Nature of service and principles to safeguard children from harm

Coláiste Nano Nagle operates under the core values of CEIST. CEIST is the trustee body for the voluntary secondary schools of the Daughters of Charity, the Presentation Sisters, the Sisters of the Christian Retreat, the Sisters of Mercy and the Missionaries of the Sacred Heart.

The founders of CEIST honour their rich heritage in education and pass its stewardship to lay colleagues. This will ensure that Catholic education will be an option in the Irish education system into the future. The congregations face unprecedented challenges but are confident that Gospel values and the radical vision of their founders can continue to inform and energise people as they meet the evolving needs of children, families and teachers. In the words of T.S. Elliot "We will take heart for the future, remembering the past."

All members of the CEIST community are committed to living the vision and the core values of the charter. These values have their roots in the Gospel of Jesus and have been central in the tradition of the five founding Congregations.

The values promote the dignity of the human person, inspire a Christian vision of the world, encourage the search for truth, wisdom and beauty, and lead to the formation of mature personalities.

CEIST post-primary schools, through the whole process of teaching and learning, promote the Gospel ‘fullness of life’ by:

- Lighting the fire of faith, hope and love, in their students
- Leading them to forgiveness, compassion and peace-making
- Developing in them hearts hungry for wisdom, spirits restless for justice, and minds inquisitive for learning.

Coláiste Nano Nagle’s takes a person-centered approach to education and always strives to create a safe and positive learning environment which help all its diverse students reach their full potential. Its mission statement is as follows:

Our School is a Christian community which welcomes students in the tradition of Nano Nagle, foundress of the Presentation Order. A primary aim of our school is the pursuit of academic excellence.
